Лабораторная работа №9 «Описание классов и порождение объектов» Вариант №6

Цель работы:

Спроектировать и реализовать информационную систему по указанной тематике - ремонтная мастерская.

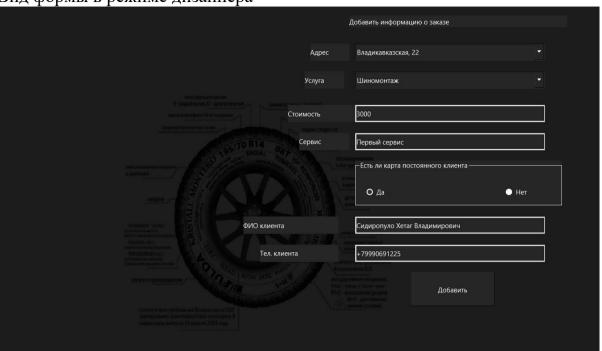

Построить диаграмму классов в нотации UML

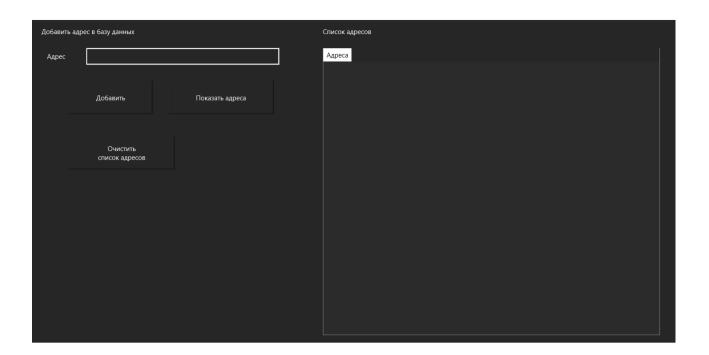

Вид исходной формы

Вид формы в режиме дизайнера

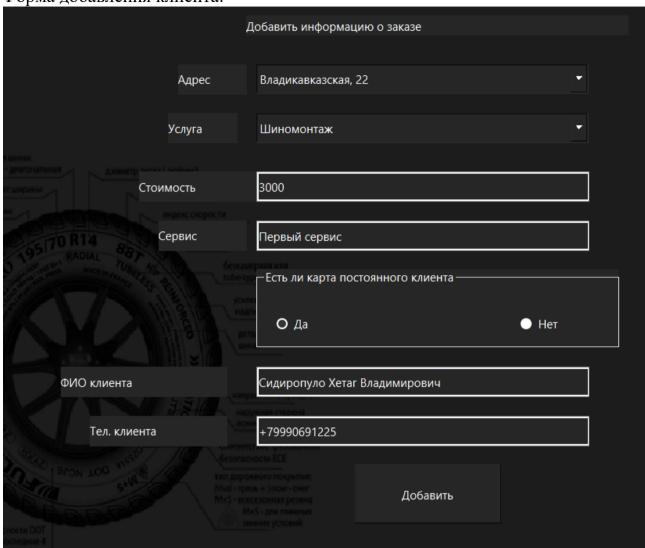

Демонстрация работы:

Форма добавления клиента:

Вывод всего списка клиентов:

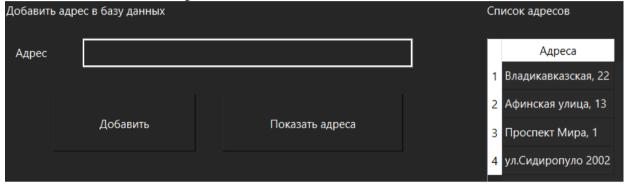

Bubog beer o enneka kimenrob.							
	Адрес	Услуга	Сервис	Стоимость	Карта	ФИО клиента	Телефон клиента
1	Владикавказская, 22	Шиномонтаж	Первый сервис	3000	Да	Сидиропуло Хетаг Владимирович	+79990691225
2	Афинская улица, 13	Покраска	Фит	50000	Да	Сухинин Дмитрий В.	+79888324665

Результат поиска клиента по заданному типу:

1		Адрес	Услуга	Сервис	Стоимость	Карта	ФИО клиента	Телефон клиента	Шиномонтаж	1
	1 Вла	дикавказская, 22	Шиномонтаж	Первый сервис	3000	Да	Сидиропуло Хетаг Владимирович	+79990691225	Найти по	
									типу работы	

Вывод списка адресов:
